

Assistant Professor in Cognitive Neuroscience at FSU

The Department of Psychology at Florida State University invites applications for a tenure track appointment at the rank of Assistant Professor in **Cognitive Neuroscience**, with a start date of August 2023. Candidates with doctoral degrees in all areas of human Cognitive Neuroscience (broadly construed) who use fMRI will be considered to add to our growing neuroimaging group. Candidates must have a strong publication record, high potential for external grant funding, and a commitment to excellent teaching with diverse student populations.

The Psychology Department faculty is very active in research, with Ph.D. programs in cognitive, neuroscience, social, clinical, and developmental psychology. FSU has a state-of-the-art research-dedicated MRI center featuring a 3T Siemens Prisma scanner, an MR-compatible high-density EEG system, MR-compatible TMS and tES systems, and peripheral equipment. Florida State ranks in the top 20 of National Public Universities (U. S. News & World Report).

Candidates should provide a cover letter, CV, copies of three representative preprints/reprints, brief statements of research, teaching, and contributions to diversity and inclusion. In addition, please arrange to have three letters of reference submitted.

To apply go to: <http://jobs.fsu.edu> (Job ID 53018). Review of applications will begin **October 15th**, but applications will be accepted through December 30th. Inquiries about the position may be directed to Derek Nee, search chair (nee@psy.fsu.edu). For more information about our department see www.psy.fsu.edu.

Florida State University is an Equal Opportunity/Access/Affirmative Action/Pro Disabled & Veteran Employer. FSU's Equal Opportunity Statement can be viewed at: http://www.hr.fsu.edu/PDF/Publications/diversity/EEO_Statement.pdf
